Land Rover Defender 110 (CAV 100 Series) Armoured Personnel Carrier Armoured to BR5 rating (EN1522/EN1063)

The CAV 100 is perfect for peace keeping, internal security force and private defence contractors.

CAMAC CAV 100 Series

The CAV 100 Series is the mainstay of our armoured personnel carrier range. Based on the 4.0 tonne GVW RICARDO Land Rover Defender chassis, this rugged 4x4 light armoured vehicle combines all the advantages of Land Rover durability with the superior ballistic qualities of CAMAC Composite Armour.

Powered by a 300 tdi diesel engine, the CAMAC CAV 100 has excellent handling and mobility characteristics both on and off the road and will provide essential protection for a crew of up to eight. CAMAC CAV 100 is available on a range of configurations suitable for military, logistics and reconnaissance, peacekeeping and internal security duties.
